

OUR COMMITMENT

"At Cambridge Prep School we believe that every child who comes to us is a wonder from heaven and the almighty has bestowed us the responsibility of making him a winner on earth. With his blessings, our promise is that all our thoughts and actions shall always be in this direction.

We believe that education is all about preparing young minds for facing the challenges of life. We at Cambridge Prep School shall strive to provide a stimulating environment wherein children not only enjoy traditional learning but also explore and nurture their god gifted talents."

OUR MISSION STATEMENT

"To make learning creative, interactive and engaging, through a system which is comprehensive and futuristic."

OUR GUIDING PRINCIPLES

- ◆ To offer a creative, caring, innovative & stress-free learning environment for children.
- ◆ Imparting quality education through opportunities to discover, explore & experiment.
- ◆ Provide a lively activity based curriculum which is global and futuristic.
- ◆ Encourage free communication amongst teachers, students & their parents.
- ◆ Create opportunities for facilitating a culture of lifelong learning.

INFRASTRUCTURE & FACILITIES

Cambridge Prep School provides a safe and professionally supervised environment where children are treated with utmost care and affection by capable and trained mentors and facilitators which generally is the first concern of every parent.

INDOOR LEARNING ARENA

With its bright, artistic, colourful & attractive surroundings, our Preschool Wing is really a child's dreamland. It provides the futuristic & rich learning material comparable with the very best. All the activities such as Reading, Painting, Story Telling, learning numbers, Dressing Up, Building Blocks, Finger Painting, and Clay Modeling etc have been designed by the global education experts having years of experience. The optimum use of modern audio-visual aids such as LEDs, Projectors & computers helps to build up the child's interest and helps in making learning easy and entertaining.

THE OUTDOOR PLAY AREA

The Outdoor Play area includes swings, slides, water pool, battery operated toy cars, merry-go-round and many other types of equipment which adheres to the best safety standards. During their entire duration of stay in the school, there shall not be any dull moment for the kids.

The children are provided with filtered R.O. water so that the children are not required to carry water bottles. The nutritious diet plan is also shared with parents who are requested to send meals accordingly.

CO-CURRICULAR ACTIVITIES

We offer a wide range of co-curricular activities for the all-round development of the children. These co-curricular activities imbibe in them the qualities like team spirit, tolerance, flexibility and appreciating others on their achievements, which in turn enriches and builds their character. The plethora of activities opens new vistas and broadens the horizon of our children in their future life.

Further, all the important festivals, religious events etc are celebrated to imbibe personal bonding & the spirit of brotherhood.

ENCOURAGING PARENT PARTICIPATION

We firmly believe that both the teachers and parents play an important role in the growth and development of a child. It is only through open communication and active participation that we can together lay a strong foundation for our children. Therefore, we follow a well-designed system of two-way communication using written circulars as well as using modern methods through SMS, WhatsApp etc. Besides this, various events like parenting workshops, a special one to one meetings, cultural programmes etc are conducted regularly, all aimed for the betterment of children.

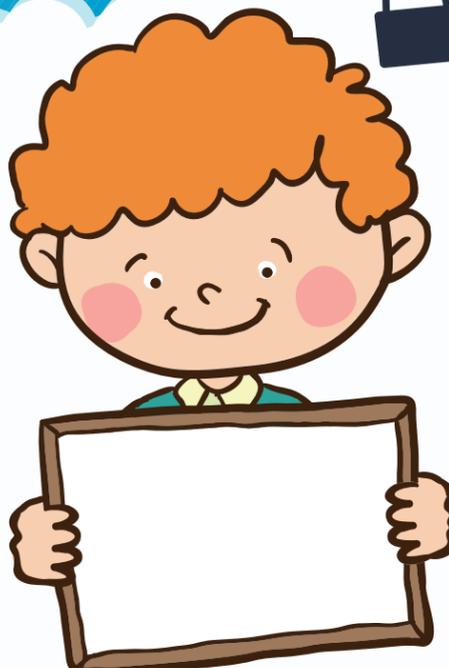

VISIONARY TEAM

Cambridge Prep Schools venture has been conceptualized and conceived by a professional & an experienced team having a deep understanding & knowledge of the future trends in the field of holistic school education. The team has developed a modern and a vibrant child-friendly system of learning which has the inbuilt flexibility of evolving itself further with the changing future trends in the field of education.

GIVE YOUR CHILD 'CAMBRIDGE'

Through years of research and learning from our hands on real time teaching experience, our team has designed an 'Innovative activity based Curriculum' which is delivered to the children through consistent engagement. Since we believe that every child is unique, hence the progress of each child is monitored through customized personal assessment systems. The prescribed syllabus has been seamlessly supplemented with lifelong learning skills.

The essence of education at Cambridge Prep School can be summed up as Global in outlook, innovative & engaging, stimulating, holistic and child-friendly in every respect and aspect.
